Dear Patrons,

You may have noticed there are not a ton of workshops on the books for adults. This is not because I'm fresh out of ideas. Quite on the contrary! I have a ton of fun ideas. I know there are a bunch of you ladies (mostly) out there that are interested in workshops, but the times never match up. So, since scheduling & cancelling is no fun, I'm working on a page on the website devoted to workshop ideas & I am open to any suggestions. I would love to do any or all of them. Let me know what time works for you! Trust me, chances are, I'm available.

Blessings,  
Teacher Jessica
